Did you know?

Port Cares provides assistance with basic needs, information, resources and referrals through programs that include client services, housing, skills development, employment, Niagara Youth Justice and EarlyON centres. Just ask staff for more information!

When children are able to explore the world around them with their natural curiosity and exuberance, they are fully engaged. Through this type of play and inquiry they develop skills such as problem solving, creative thinking, and innovating, which are essential for learning and success. ~How Does Learning Happen?
