Early Childhood Resource Consultant

A resource consultant visits on a regular basis to support child development.
Please see staff for date and time

Bilingualism & Cognitive Flexibility

Exposure to a second language at a very early age is beneficial. It helps the young brain to stay open and more cognitively flexible as it develops. During French Science, we made lava lamps. It was noticed that hearing the different rhythmic sounds and phonetics of two different languages intrigued our young participants and kept them engaged. The bilingual experience was remarkable!

Port Cares 9th Annual Soupfest

Thursday April 12 from 11:30am to 2:00 pm

Come enjoy amazing soups made by Lakeshore Catholic Culinary, Port Colborne High Culinary, Niagara College Culinary and Port Cares Reach Out Centre. This event will happen at the Italian Hall, 223 Bell Street, Port Colborne. Tickets are \$15 per person and children under 5 are free with a donation of a non perishable food item. Proceeds support the Port Cares Reach Out Food Centre.
