Pre-registration is required and limited childcare will be offered

Wishing you and your family a very happy and healthy 2018!

The Four Foundations of Learning

Every child has a sense of belonging when he or she is connected to others and contributes to their world.

Every child is developing a sense of self, health, and well-being.

Every child is an active and engaged learner who explores the world with body, mind, and senses.

Every child is a capable communicator who expresses himself or herself in many ways.
